Scotland

Sutherland in the far north of Scotland, hosts some of the country's most spectacular scenic golf courses, with many situated on the Moray Firth. Extensive white sand beaches & colonies of dolphins and seals makes these links golf settings so breathtaking.

Golf

Courses we are looking forward to playing include top ranking Nairn and Castle Stuart with some local highlights such as Brora, Tain, Fortrose and Rosemarkie. The area has many highlights and golf courses which we can't wait to explore with our juniors.

Tournament

Potential entry into a 54 hole event run by the Junior tour Scotland, playing with some of the UK's best emerging talent. This event gives our juniors the opportunity to gain WAGR & European Golf Ranking points. Playing some of the top links courses including Royal Dornoch, which was rated number 2 in the world in 2019.
